## CERAMICA BIANCA SRL, societate cu capital

integral privat românesc, detine în patrimoniul fabrica de obiecte sanitare din porțelan din Ploiești, prima fabrică de profil construită în România încă din anul 1935. Lungă experiență în domeniul producției de obiecte sanitare din porțelan dar și dezvoltarea continuă a relațiilor comerciale cu parteneri din cele mai dezvoltate țări din Comunitatea Europeană precum Italia, Franța și Germania au reprezentat principalele avantaje competitive ale societății noastre.

Cu o manieră de acționare deosebit de pragmatică și elastică, CERAMICA BIANCA S.R.L. a devenit astăzi cel mai competitiv producător și exportator român pentru obiecte sanitare din porțelan, din punct de vedere al raportului calitate / pret, portofoliul de comenzi fiind cu mult mai mare decât capacitatea de producție existentă. CERAMICA BIANCA S.R.L. este o companie dinamică și modernă, care și-a dovedit spiritul de inovație și profesionalism lansând pe piețele Comunității Europene produse extrem de apreciate.

*CERAMICA BIANCA SRL, a company with integral Romanian private capital, owns in property the sanitary porcelain factory situated in Ploiești, the first factory built in Romania since 1935. The long experience in the production of sanitary ware but also the continuous development commercial relationships with partners in the most developed EU countries such as Italy, France and Germany represented the main competitive advantages of our company.*

*With a very pragmatic and elastic management, CERAMICA BIANCA SRL has become the most competitive manufacturer and exporter of sanitary ware, in terms of quality / price ratio, the portfolio of orders being much larger than the existing production capacity. CERAMICA BIANCA SRL is a dynamic and modern company, which has shown a spirit of innovation and professionalism, launching of the European Community markets highly rated products.*

CERAMICA BIANCA SRL, compania с румынским частным капиталом, владеет в собственности санитарно фарфоровый завод в Плоешти первый завод такого профиля построен в Румынии в 1935-ом году. Многолетний опыт в производстве санитарного фарфора, но и дальнейшее развитие торговых отношений с партнерами из наиболее развитых странах ЕС, таких как Италия, Франция и Германия были главными конкурентными преимуществами нашей компании.

С очень прагматичным вождением и упругой CERAMICA BIANCA SRL стала наиболее конкурентоспособным производителем и экспортёром румынского санитарного фарфора, с точки зрения соотношения качество / цена, портфель заказов гораздо больше, чем мощность существующего производства. CERAMICA BIANCA SRL является современной и динамичной компании, которая продемонстрировала профессионализм и дух новаторства, запуская на рынке Европейского сообщества высоко качественную продукцию.
